Eliana Alexander

“a very talented woman”

Eliana Alexander works between the Latin and American entertainment markets, as an actress and novelist. Soon we can see her on the small screen, playing “Marisol Contreras”, wife of the city sheriff (Luis Guzmán), in the EPIX Perpetual Grace LTD series, which premieres on June 2, 2019. The plot is about a young man who tries to take advantage of the village Pastor, however this turns out to be even more dangerous, since she has been robbing hundreds of people of the savings of their lives. The cast includes Sir Ben Kingsley, Jacki Weaver, Jimmi Simpson and Damon Herriman. The producers of the series are: Steve Conrad and Bruce Terris.

Eliana is a veteran of the entertainment industry in which she has been more than 30 years. Before her career as an actress, she taught dance and musical theater. She started as a singer, her first tour was with Hilltown National presenting West Side Story. Later, Eliana made her transition to television, appearing on The Bold and The Beautiful on

CBS. Then she got a more regular person for the MyNetworkTV show, Desire, playing “Rita Thomas” with Ashley Greene. Other credits include a recurring role in La Ley del Silencio de Telemundo, as well as a regular role in Sin Verguenza. In the last series, she was nominated for an Image Award for “Best Actress in a Television Series or Online.” The Independent Film and Video International Festival of New York gave Eliana a prize for “Best Actress” for her role in the film Agenda. In addition, UnidosUS recognized her work with an American Latino Media Arts for “Best Ensemble Cast” in the ITVS miniseries, Foto Novelas.

Beyond her work as an actress, Eliana maintains a secondary career as a novelist. Her first book, The Neighbor, was released in 2012. She recently announced the first installment of a series of adventure and science fiction books called Tilt, which tells the story of two teenagers, Blane and Jake, who inadvertently activated an interdimensional temporary vortex that it leads to endless possibilities, exciting and dangerous times, while learning about the worlds within themselves. The first book is scheduled for release on August 8, 2019. Eliana is writing screenplays for movies and television, for which she is

currently in discussions with Fox. Originally from Mexico City, Eliana currently lives with her husband in Los Angeles. During her free time, she plays guitar, sings and makes music a high priority in her life. She is also an avid animal rights fighter for Sea Shepherd and PETA.
